

DISCLAIMERS

Limitation of Liability

Medical Diagnostic Solutions, LLC, its parent companies, affiliates, subsidiaries, directors, officers, members, shareholders, employees, assigns, successors, and agents (collectively referred to as MDS) shall not be liable for the information contained in any report issued by MDS (e.g. sleep test interpretation, impression or recommendation for treatment) if such report is in whole or in part based on information, provided by any patient, driver or employer, that is not accurate, complete, or truthful.

MDS shall not be liable for any inaccurate, false, or misleading information, either written, verbal or by electronic transmission, provided by an employer, driver, or any other person or entity, nor shall MDS be liable for any direct or indirect consequences of such information.

Any reports, recommendations or certifications issued by MDS apply only to the condition of obstructive sleep apnea (OSA) and CPAP or APAP treatment of OSA and are not related to other medical conditions or physical standards described in the US DOT FMSCA Part 391, Sub Part E 391.41

MDS shall not be liable for any loss of profits or goodwill, indirect, direct, special or consequential damages or any other loss incurred or suffered by a Interpreting, Treating, or Ordering Physician as a result of their violation of any federal, state, or local statute, rule, or regulation governing the practice of medicine, or osteopathic medicine or the violation of any rule, regulation, or standard of any applicable professional licensing entity or board. MDS shall not be liable for any loss of profits or any other loss incurred or suffered by the Interpreting Physician relative to the Interpretation of Sleep Studies performed by MDS.

MDS shall not be liable for any disciplinary or other adverse action taken against an Interpreting Physician by a governmental agency 3rd party payer, professional society, medical board or association, or licensing entity that arises out of or is in any way related to the Interpreting Physician's Sleep Study Interpretations or for reliance by any physician on the information provided in any interpretation done on studies performed by MDS. It is incumbent upon the Interpreting, Treating, and Ordering Physician to verify that they are in compliance with all rules or regulations, federal or of their own locality, state and/or department of professional regulation.

Billing and Coding

MDS does not guarantee that the Technical and/or Professional (Interpretation) components of sleep studies or any treatment or other recommendations based on the results of sleep studies performed by MDS will be covered or reimbursed in full or in part by any third party, nor does MDS guarantee that the sleep study results will have a beneficial effect on the Interpreting, Treating or Ordering Physician or their patients.

Self Referral/Fraud and Abuse

MDS has no obligation to refer any patient(s) or other business to any Interpreting, Treating or Ordering Physician, nor any other Entity including but not limited to Hospitals, Clinics, IDTFs, Sleep Testing Facilities HME/DME Providers or Employers. Likewise, such Entities have no obligation to refer any patient(s) or other business to MDS and nothing in MDS policy or on its website shall be construed as any obligation to make such referral(s). MDS makes no warranty, representation, or guarantee that any component of a Sleep Study performed by MDS will not result in a violation, by an Interpreting, Treating or Ordering Physician, of federal, state, or local anti-kickback or self-referral laws, statutes, rules, or regulations or the rules or requirements of applicable medical associations, or institutional rules or regulations. It shall be the sole responsibility of the Interpreting, Treating or Ordering Physician to determine whether their actions may result in the violation of such rules or laws.

No Legal or Accounting Advice

MDS does not provide legal or accounting advice. It shall be the responsibility of any Interpreting, Treating or Ordering Physician, Patient or Employer to obtain any and all such advice from the appropriate professional.

No Medical Advice

The information contained in this website is not a substitute for professional medical advice or treatment. We recommend that patients consult with their healthcare professional.
